Introducing the Future of Power Management: The MPD 2AA Surface Mount Battery Holder BK-6284.

BK-6284

ABG-44

Compact. Reliable. Efficient.

Memory Protection Devices Inc. is proud to announce our latest innovation – the 2AA Surface Mount Battery Holder, designed for modern electronic applications. Secure the batteries with the ABG-44 Strap (Sold separately)

Key Features:

- **Space-Saving Design** – Ultra-compact and engineered for seamless integration into automated assembly lines.
- **Reliable Power Retention** – Secure battery pressure contact ensures consistent and uninterrupted power.
- **Superior Build Quality** – Constructed from high-quality materials for enhanced durability and performance.
- **Effortless Installation** – Simplifies PCB mounting and streamlines the production process.

Whether you're designing IoT devices, medical equipment, or consumer electronics, the MPD 2AA Surface Mount Battery Holder provides the perfect power solution for your needs.

Coming Soon! Stay ahead of the competition and power your next innovation with MPD.

 **Pre-order Now!**
