

Memory Protection Devices Inc.

&

SnapEDA

MPD has selected SnapEDA to host all of our parts. From this site, customers will be able to view/download 2D, 3D datasheet, footprint and more. Please come and visit our [websites](#) or visit [SnapEDA's website](#) for any of MPD's parts.

The banner features a dark blue background. On the left is the MPD logo, which consists of a green circle containing the text 'MPD' in large green letters and 'Memory Protection Devices' in smaller black letters below it. To the right of the logo is the text 'New battery holders & automotive connectors' in white, with a small orange horizontal line underneath. On the right side of the banner are three circular images: a black battery holder, a white automotive connector, and a circular footprint diagram with a grid and labels like '>NAME' and '+'. The SnapEDA logo is in the top right corner.
